Subject: Holy Communion

The summer months are upon us and we are now celebrating worship outside for the early service. In the preparation for summer worship, I spoke of having communion each week for 8:30 A.M service while maintaining the tradition of 1st, 3rd, and 5th Sundays at the 11:00 A. M. service.

Praise God for whom all blessing come... it has been requested by many that we should have communion every week at both services now instead of waiting for September as we planned. I am thrilled with the conversation regarding the increased opportunity to celebrate that sacred and Holy time in worship.

Therefore, we will move our congregation forward to receive weekly communion beginning this month, June 2008. I give thanks to God for your spiritually filled expression of faith. The Sacrament of Holy Communion is where Jesus meets us. His Body and Blood restores our lives; *and that* can never be taken for granted.

May God continue to fill you with His Holy Spirit as we continue to serve him new each and every day!

Faithfully Serving,

Rev. Franklin J. Gore
